All praise to Him for the offerings received during the past quarter. The general fund receipts increased approximately \$1,000.00 over preceding quarter. Yet with all the gifts received, our funds are shrinking at an alarming rate. We have been drawing heavily on our reserve funds for the past year, of which we have used approximately \$9,000.00. Transportation of our missionaries to and from the field has incurred a heavy expense. Operation costs of our Mission work is on a substantially higher level than in past years. Unless we as a church get under the load and meet these costs we may find ourselves with a deficit by the end of the next quarter. General Conference went on record last Conference as approving the increased allowance to Africa which is so much needed to carry on their expanding program. Let us catch the vision and go beyond the tithe, and give some great love offerings for our General fund, accompanied by prayer for the spiritual welfare of our work on foreign shores.

Carl J. Ulery, Treas.

"... This is the victory which overcometh the world, even our faith." I John 5:4. Were it not for faith in God we could not have victory over sin and the devil, but with Him we can be "more than conquerors". We praise Him for victory!

During the weekend of Feb. 13 we were privileged to have our former superintendent of the field, Eld. Albert Engle, spend some time with us. His inspiring messages given at different places he contacted were greatly appreciated.

Our annual council was held at Beulah Chapel on Feb. 20. Bishop Wilber Snider and Eld. Dale Ulery were here for this service. Christian love and unity prevailed. The council was quite well attended.

Foreign missionaries are always welcome on the field and during this past quarter it was our privilege to have Eld. and Sr. Walter Winger with us. Their saintly lives challenged us to greater service for our King. They contacted every place on the field; this made a heavy schedule for them.

By a ruling of council our Annual Fellowship Meeting was changed from the last Saturday of March to the last Sunday of March. Brethren Snider and Ulery were here for this meeting. The spiritual tide was running high throughout the day. Truly our souls were feasting on the good things of God. The theme of the day was, "How to have a more Spiritual Church". The advice given by the sermon and various topics, if heeded, will indeed create greater spirituality among us.

We are anticipating a revival to sweep the entire field. God is working, and if we continue in prayer, great things shall be accomplished. Let's ask largely of Him!

"Praise the Lord for all His wonderful works!"

Since the cold weather is over and spring is here, the folk can get out to the services better and there is a growing interest in our Sunday Schools, for which we thank the Lord. Pray with us that the seed sown and planted in our Sunday Schools may bring forth an hundred fold.

On Sunday, February 20, we were privileged to have Bishop Wilber Snider, our superintendent, and Eld. Dale Ulery, our overseer, here with us for a dedication service for children. Our little daughter and four other children were dedicated to the Lord that day, and we pray God that He will guide their lives and use them as He deems best.

On March 27 we had our Annual Fellowship Meeting at Beulah Chapel church. Bro. Ulery brought the morning message. In the afternoon various ones gave topics, a reading and some special songs. We had a wonderful meeting. The Spirit of God was on the service and the saints really got blessed. Many shouts and praises went up to God.

Many interesting and uninteresting things have happened in the last three months but we are glad that we are on the Lord's side and He has been very good to us.

EVANGEL CHAPEL—Bible School days are here again. The enrollment for the first day was 33, and the interest and enthusiasm are very high. The first three days show an increase in attendance. Some of the pupils have been contacted for the first time. We are hoping to retain them in our Sunday School.

KNIFLEY—On Feb. 12 an out-of-the-ordinary meeting began here with four preachers scheduled to alternate every two nights for the duration of the meeting. The meeting continued for three weeks, and there were three seekers. The spirit of the meeting was excellent, and we believe that there was much good accomplished.

Our missionary prayer meeting is quite inspiring to our work. We were privileged to have Eld. and Sr. Walter Winger with us at each of our churches.

We are planning to have a quarterly teacher training meeting. Our Sunday Schools seem to be our best means to reach the various communities. Our prayer meetings are also well attended and seem to be a blessing to many.

While in Pennsylvania during January we had the co-operation of Eld. Roy Wenger and Bro. Jesse Lehman in securing a fine church bell, which we are hoping to have installed on the church here (Gospel Hall) in the near future. At present we have it on the ground and ring it from there.

A visit—Sr. Kanode, the baby, and I spent a little over two weeks in Pennsylvania visiting relatives and friends. Words fail to express our sincere joy and appreciation for the hospitality and many kindnesses of the church folks there. May God richly bless each one.

This quarter has been one of the busiest while on the field. Sixty-four meals were served to guests; forty-three visits were made in the community; seventeen folks were sheltered over night and thirty folk from the community called to see us. We also made a trip to Louisville Baptist Hospital to see Mrs. Owen Arnold and Mrs. Pauline Mann of Knifley. Our days were busy with the trip to Pennsylvania, and also to Ohio-Ky. Joint Council. God's promises of strength have been verified in our lives.

Irvin Kanode.

"Now unto him that is able to do exceeding abundantly above all that we ask or think . . ." Eph. 3:20.

Truly this verse has been verified in our midst. Our hearts are rejoicing to see how the Lord is working. Last Thursday night in prayer meeting at Fairview, while an invitation song was being sung, a young man came to the altar. He stayed there until the Lord wonderfully saved him. That prayer meeting lasted until midnight. Because that young man was willing to surrender to the Lord, a wonderful revival started. No revival had been planned at this time, but the Lord saw fit to send us one this way, and we left Him conduct the meetings. On two night Bro. Giles didn't get to preach, and one night, while he was preaching, they started coming to the altar. The professors are getting warmed up and are being used of the Lord in getting the unsaved to the altar. Conviction settled down on folks in an unusual way. There were forty-five at the altar. Not all of this number got through, but we're praying that they won't be satisfied until they do go through. The revival reached over to the Millerfields community; a few from there sought the Lord in the meetings.

The devil is working also, but we claim the promise, "If God be for us, who can be against us." The devil gets stirred when things begin to move for God, but praise the Lord, his territory is being attacked, and victory is for us, if we trust Him.

We're greatly encouraged in the work. The attendance at our Sunday Schools has shown a good improvement during the past quarter. Will you pray that the interest may continue?

We want to keep humble that the Lord can use us in winning souls. The cooperation of the Christians in the community and the burden they're carrying for the lost is bringing results. The Lord is doing His part in giving us this revival and we want to be faithful in doing our part in praying and interceding for souls

The Esthers

Spout Springs

"I was glad when they said; Let us go into the house of the Lord."

Another quarter has passed by and we can say the Lord has been with us. We thank Him for His many blessings He gives us as we meet together to worship Him.

We are happy to report an increase in our Sunday School attendance over that of last quarter, and we are hoping it will continue to grow.

The Spirit of the Lord has been keenly felt in the Friday night prayer service and also in the preaching services which are held every Sunday night. We do appreciate the fine spirit of cooperation in all the services, and we know, as we gather together in unity, He will continue to bless. We also appreciate the different ministers who come in to fill their appointments during the month. May the Lord continue to use them at this place.

There have been several hands raised for prayer in the services and God's convicting Spirit has been felt in our midst, for which we thank the Lord.

Edgar Giles

Garlin Nursing Report

"In the fear of the Lord is strong confidence: and his children shall have a place of refuge." Prov. 14:16, That refuge means much to me in my work as well as to those who are suffering.

During this quarter there was a total of nine nights and six days of service render-

ed. For a short time I went one or two nights a week to give streptomycin so a mother could get her rest. I helped with four maternity cases. Two patients came for a series of injections ordered by their doctors. One individual received intravenous solutions for two days. Some other calls were made to check temperatures or to paint throats.

In all of my nursing contacts it is my sincere desire to represent Christ in such a way that folk will not be able to resist the Savior and that Christians may be encouraged to be at their best for God.

We appreciate the offerings given by the Ladies' Bible Class of the Antrim Sunday School.

Buffalo Mission, Buffalo, New York

Our revivals started on January 17th. Bishop E. J. Swalm, our evangelist, was not able to be with us for the first two nights, as he was detained in meetings at Mechanicsburg, Pa. In his absence, Eld. John Hostetter delivered the messages. The Seventh Annual Bible Conference was held on the 23rd of January with Bish. Edward Gilmore and our evangelist as the guest speakers. The Wainfleet Gospel Four rendered the music throughout the morning and afternoon sessions of the conference. This series of meetings came to a close on the 30th with God blessing us with seekers at the altar.

At the regular monthly meeting at the El-Nathan Home, Bro. Swalm brought a message of inspiration and encouragement to the old folks. He also spoke to the W.D. R. E. classes on a Monday afternoon. We were also pleased to have Bishop Henry Ginder speak to these Monday classes on another occasion.

The annual congregational council meeting convened on Saturday evening, February 19, with Bishop Edward Gilmore, Home Mission Board representative, acting as chairman.

The Sewing Circle of the Mission has recently taken a step forward in the purchasing of two used electric sewing machines. These machines are in good condition and will be a great help in the work of sewing for relief.

In the past months we have witnessed the Lord graciously touching with a healing hand some of our members. It has been a stimulation to our faith and a blessing to the entire congregation. To God be the praise.

During the last quarter, the mission staff made 61 visits where prayer was offered and 15 other calls, making a total of 76 contacts.

"He that winneth souls is wise." Prov. 11:30.

You can never speak to the wrong man about Christ. Our pastor with the workers are encouraged with the work.

We had our Council meeting with Bishop C. N. Hostetter, Jr. and Eld. Albert Engle present. God never leaves His children down if we ask Him to help us and use that simple faith to believe. Our work at Ganister Sunday School, which was at a low ebb, has increased somewhat in the last few weeks.

There has been a Prayer Circle started weekly by a band of Sisters. We feel God has been meeting us in marvelous ways. A two-week revival is to begin here at the Mission with Bishop Jacob T. Ginder as evangelist.

The mission visitors this quarter were Mr. & Mrs. Paul Brandt, Mr. & Mrs. J. George Lehman, Mr. & Mrs. Samuel L. Lehman and family, Esther Henry, Esther Greenawalt, Bro. & Sr. Elwood Flewelling and family.

Those who contributed with supplies: Louise Gardner, Mr. & Mrs. Felton, Mr. & Mrs. Cecil Clapper, Bro. & Sr. Walls, Sr. Sine, Mr. & Mrs. Wayne Peters, Mr. & Mrs. Edwin Henry, Mr. & Mrs. J. Geo. Lehman, Mr. & Mrs. Samuel Lehman, Mr. & Mrs. Howard Clapper, Mr. & Mrs. Wilbur Kelly.

Carroll and Pulaski Co., Va.

In the past quarter the general attendance at our meetings has been increased by the use of the mission bus.

At Farris Mines the Sunday School averaged about fifty in attendance. The Wednesday night prayer meetings in the church average about seventy five. On the second and fourth Sunday nights the attendance at our young people's meeting and preaching service averages about a hundred.

The Tuesday night prayer meeting in Sylvatus and outlying communities are held in the homes. The attendance averaged about thirty. On the first and third Sunday nights of each month the bus runs from Sylvatus to Bethel where we hold preaching appointments with Bro. Jennings.

We are encouraged with the general interest shown in our services. More than two-thirds of our congregation are young folk. The spirit of the Lord has been faithful in convicting those in sin and blessing those who have been faithful in following Him. We are very happy for homes that have been changed by taking Christ in. We are anxious for those who are wasting in sin. How urgently they need to be saved. "The harvest truly is great, but the laborers are few."

While our visitation work has been increased over the past quarter, we are still falling behind what needs to be done. Fifty-four visits have been made in the past quarter.

We appreciate the prayers and interest of the church. Will you continue to stay by us? Especially remember the one-week revival meeting which opens May 15 at Farris Mines. Bishop Henry A. Ginder will be the evangelist.

Mission Visitors: Elder Arthur Brubaker, Elder and Mrs. Charles Eshelman, Sr. Esther Greenawalt, Elder and Mrs. W. O. Winger, Mr. and Mrs. Harry Watson, Mr. and Mrs. Melvin Boose.

Provisions contributed: Irvin S. Wolgemuth, C. H. Moyers, Joseph Ginders. Purchasing discounts from W. W. Turmans, and other small items which have been much appreciated.

We are pleased to report that the new church building is free of debt, with a small balance in the fund toward minor completions and permanent pews. May the blessings that have been enjoyed through this new building be shared with those who have made it possible.

Paul and Ruth Wolegmuth

Chicago Mission, Chicago, Illinois

Time has gone by rapidly since our last report. We again acknowledge God's loving provision for every temporal and spiritual need.

Communion services and an all day Bible conference were held over the week-end of November 21. Bishop Carl G. Stump and

Eld. Joseph Vanderveer from Hillman, Michigan, were the special speakers.

Watch Night service was held December 31. Bishop C. N. Hostetter, Jr., gave us a stirring message. Memories of a touching prayer service at the altar linger with us.

Mid-week Bible Classes have been held each Wednesday during the school year. We feel real seed has been sown in these young lives. Some of the classes reported real times of prayer and decision, which we believe will bear eternal fruitage.

Boys Club. A group of boys from 10 to 17 years of age meet each Monday night under the leadership of Dave Carlson and Don Smith. Some Catholic boys have been attending. We have time for devotions and recreation. We ask prayer that these boys may be led to Christ, which is the real objective of the group.

Bible-izing is the name given to a canvas undertaken to locate homes without Bibles. The American Home Bible League of our city will furnish Bibles for homes without them on their promise to read the same. Accordingly, on Sunday afternoon, March 21, fourteen of our group made calls in 125 homes, locating 14 homes who accepted Bibles under the conditions mentioned.

Revival services were held for two weeks, beginning March 27, with Eld. Joseph Vanderveer of Hillman, Michigan, as evangelist. God worked in our midst and we saw new faces nightly, with some bowing at an altar of prayer. Our brother won his way into the hearts of the people, leaving a blessing on our congregation which still lingers with us. The last Sunday night was an unusual service. God seemed so near and one could feel the power of God as we knelt with a needy soul at the altar.

The rostrum in the Mission chapel was too low to deal comfortably with seekers during altar services. Bro. Vanderveer made some fine suggestions and planned a nice altar rail made of red oak with ply wood in front of the rostrum. It is all finished and with a new rug it greatly improves the front appearance of the chapel. The first night it was finished, we saw a seeking soul shed tears when a deeper experience was found. We felt this was fitting dedication, though it was formally dedicated by Bishop Carl G. Stump on April 10 in a touching service, following our spring communion.

Missionaries who visited and spoke for us during the past quarter included Sisters Mary Breneman, Mabel Frey, Edna Lehman, and Mr. and Mrs. Leslie Barham, the former Lois Frey.

Visitors. Among many friends who stopped during the past quarter we mention the following: Bishop Swalm, Mrs. G. Wolgemuth spent the winter attending Chicago Evangelistic Institute, and we appreciated her attendance on Sunday. She kept us informed regarding the missionary delegation. Mr. and Mrs. Don Engle and Paul Hess from Mt. Joy, Pa., Mr. and Mrs. Joseph B. Smith. Ernest Dohner's message on Sunday night will be remembered because of the drunken woman who came to the altar while he was preaching. After becoming sober at midnight, she told her tragic story of how she once attended Sunday School during her girlhood in Ohio, of a mother who went astray leaving a poor example for her daughter. We found lodging for her that night and secured hospitalization the next day. Eld. Jesse Hoover spoke one Sunday night, also another Wednesday evening and gave his impressions of world conditions as he saw them on his recent world tour.

Needs. Because of the large number of meals served in the Mission, we could be

greatly helped by securing a Deep Freeze. Some money has been given for this purpose. Any funds sent for this need will greatly help in the necessary entertaining in the Mission home.

Vacation Bible School will be held for two weeks in July. It costs about \$40 to operate this school. All offerings given by the children are for missionary purposes. Any individual or class who would sponsor this school and help get the Gospel into the hearts of needy city children would share in this important task of winning our youth for Christ.

Leonard Falk and Bro. and Sr. Don Freed, formerly of Chicago—now living in Grantham, were recent visitors. They told of the work at Ranavilla, where Bro. Falk is Pastor. While we miss them and other families who have left us to serve elsewhere in the church, we rejoice that they are carrying on the same spirit of evangelism which brought them to the Lord.

We again thank everyone for his interest and prayers. Prayer is our supreme need.

Carl J. Carlson and Workers

Christian Fellowship Mission, Massillon, O.

Greetings in the precious name of our Lord and Saviour, Jesus Christ. With time so speedily passing, it is already time to make another report. This past quarter has been filled with varied activities and God blessed in many different ways. We give the honor and glory to God.

During the past quarter we had been having our Sunday School in the afternoon, but since the first of February we changed it to the morning. The attendance was brought up. New ones have been coming in since we have the morning service.

On January 9, eight were baptized and taken into church fellowship. Bishop Henry P. Heisey and Eld. Dale Ulery were in charge of this service, and Bro. Hostetter, our mission pastor, did the baptizing. The Lord blessed in a very unusual way in this service.

We were privileged to have a Gospel Team from Messiah College with us for a service on January 23. They gave an interesting program, which was appreciated by those attending. Then on February 4, Eld. and Sr. Walter O. Winger were with us for a missionary meeting. Their messages were very challenging to us. May God bless them richly as they continue to work in stirring up the missionary spirit of the church.

In March the Ohio-Kentucky Joint Council was held here at the mission. The Council was a time of spiritual refreshing and the Lord blessed in an unusual way.

During the quarter we had some guest ministers to speak for us in different services. On March 6 Bishop Charlie Byers brought us a very inspirational message. Eld. Robert Wengerd was with us on March 20 and spoke for us. We appreciated their messages very much, and may God bless them in their different fields of labor.

At the request of a friend of the mission, on March 30, we started services at Beach City, Ohio, which is about fifteen miles from the mission. The services are continuing each Friday evening in this friend's home.

Through out the quarter sixty-one visits and a number of calls were made; also, some assistance was given to sick folk. We attended some revival services in other churches. The Young People's Prayer meetings continued with good interest and attendance each week. The Lord has been

blessing this group of young people as they go into different homes for these services. We are encouraged in the work of the Lord. We want to thank each one of you who have stood by us during the past quarter. We solicit your prayers and continued support.

Other mission visitors: Eld. Wm. Rosenberry, Philadelphia, Pa.; Bro. S. L. Minter, Abilene, Kansas; Anna Yoder, Beach City, Ohio.

Eli H. Hostetler and Workers

Dayton Mission, Dayton, Ohio

We praise the Lord for spiritual and temporal blessings this first quarter of another year. God has been graciously manifesting Himself in our hearts and in the services. We feel it is a glorious privilege to be a witness of the saving and sanctifying power of God. We rejoice in having our heart beat in full harmony with the leadership of the Holy Ghost.

The interest in our Sunday School has been very good through the winter months.

The mild winter weather made it easier to have this good attendance. We attempt to have some special feature at the close of our Sunday School to help keep up interest and to show the importance of being a Christian and living a life of righteousness. Our Sunday School bus has been a real blessing to our work throughout this first year of our using it.

The Tuesday and Thursday prayer meetings have been times of spiritual blessing to the saints. We praise the Lord for the invitation to have our cottage prayer meetings in homes where they have not been accustomed to have them. We know that God has definitely spoken to hearts during these prayer services.

The "Hour of Prayer" on Wednesday afternoons has been an hour of power. The saints have a burden of prayer that has had an effect on needy hearts.

As we come to the close of this quarter, we are anticipating a week's revival service prior to the Easter week. The Lord has been working in our midst, and we are looking forward to a spiritual feast. We praise the Lord for the way the saints have been standing by the work here with their prayers and their tithes and offerings. May the dear Lord continue to bless every one in our earnest prayer.

William H. Engle

God's Love Mission, Detroit, Michigan

"But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run and not be weary; they shall walk and not faint."—Isaiah 40:31.

"Mere mortal power shall fade and die,
And youthful vigor cease,
But we that wait upon the Lord,
Shall see our strength increase."

Truly we are thankful for the saints who are waiting on the Lord for the work at Detroit, and it does our souls good to re-

ceive letters stating that they are spending time on their knees for the work here. We can not get along without the prayer of God's people. United with God and the Saints we stand, but divided we fall. United with God we see our strength increase.

We are thankful for those who are backing and supporting the work financially. We stand in amazement many times and say what has God wrought. By your good support we believe the roof will be on the new Church by fall.

We thank the Lord for the blessing that has been on the services. There is a constant flow of seekers at the altar, and some have struck victory. Elder and Sr. Vanatter spent the weekend of January 1 and 2 with us. Bro. Vanatter's messages were very inspiring and searching. Elder Dale Utery was with us January 31, and brought a message on "Abundant Life." It was so rich that many shouts went up over the audience. On February 2nd Elder John Rosenberry came to us for a revival. The saints at the Mission enjoyed his messages. The attendance was good. Many sought the Lord at the altar and received definite help. We were very glad to have Bishop Henry Ginder and Bishop Carl Stump spend Monday, February 14 with us in interest of the work. On Saturday, Feb 26 and 27 we were glad to have Bishop Carl Utery and family with us. Bro. Utery brought very inspiring messages. Also Sr. O. B. Utery was here with them. We enjoyed their fellowship. On March 24 Bishop Henry Heisey was with us for a service. He brought us a timely message challenging us to pray.

We are glad for the good attendance in our Sunday School. The Mission Hall is crowded, every Sunday, and the School is increasing. The past Sunday we had 125 in attendance. We thank the Lord for those that have been saved in this quarter. Among this number were 3 young people that have definitely found the Lord and are regular attendants at our Mission.

We are planning special services June 4 and 5. This series of services will begin with a baptismal service on Saturday afternoon. That evening will be given to evangelist service. On Sunday morning after Sunday School there will be a reception service for new members. Communion will be observed at 2:30 p. m. In the evening the evangelistic service will continue at 7:30.

The Mission Staff and Congregation give a special invitation to the brethren who will be enroute to the Brethren in Christ Conference which will convene in Ontario.

Harry Hock and Workers**Houghton Mission, Tillsonburg, Ontario**

Frogmore—Our winter revival was held Jan. 16-30 with Eld. Dale W. Ulery from Springfield, Ohio, as the evangelist. Bro. Ulery's spirit filled messages were presented in a manner that brought joy to the child of God and conviction to those who were not ready to meet Him. Each afternoon we met at the church for prayer. This proved to be a great blessing, as requests were made for needy souls and prayer was answered on their behalf. A man in his eighties sought the Lord and was saved, and a lady received a definite experience of salvation and contemplates uniting with the church. Another sister who had been in a backslidden condition for a number of years prayed through and is again taking the plain way. Many more sought the Lord and received definite help. Since the revival our prayer meetings have been well attended and the presence of the Lord has been felt in an unusual way. May the Lord continue to bless the ministry of our pastor, Bro. Vannatter.

Houghton Centre — During the winter months prayer meetings were held in the homes of friends, all of whom were unsaved. We are praying for these precious families. The interest and attendance at the Sunday evening services is very good; for this we thank the Lord.

Walsingham—Due to road conditions the prayer meetings have been discontinued for the present. The Sunday School attendance has been very good throughout the winter months.

On Feb. 16 Bro. & Sr. Whiteside left us to again take up residence at Wainfleet. Two Sundays each month Bro. Basil Long from Dunnville, Ont., has been filling the preaching appointments.

We desire an interest in your prayers for the work at this place.

"The name of the Lord is a strong tower: the righteous runneth into it, and is safe." Prov. 18:10.

As we submit this report for your prayerful consideration, we are challenged with the thought that another three months are in the past to remain there forever. But we rejoice, as we realize that the precious blood is still efficacious and available; that God's great powerhouse is sufficient for all our needs; and His storehouse of Grace and blessings aboundeth more and more! How our hearts are thrilled when we walk close to him and know that we need not rely upon our own strength, but can lean upon the everlasting arms that are waiting to sustain us.

Our lives have been enriched and our vision broadened through a few outstanding services of this past quarter. First, there was the Sunday School Convention on January 2. A group from Upland, Calif., rendered an interesting program. The three speakers, Alvin Book, Leslie Unruh, and Paul Engle gave some very constructive thoughts on "Better Methods for Teaching Juniors" and "Attendance Problems of the Sunday School". Others in the group were Eleanor Heisey, Eloise Engle, Thata Book, Sr. Unruh and son, Bill Haldeman, Bob

Lehman and Henry Miller. Special selections throughout the program were readings, accordin solos, an illustrated children's talk, and selections from the Beulah College Male Quartet. The Convention was well attended. We might add that the Sunday School is showing an increase. We are much interested in the Sunday School, for we know that a child saved is also a life saved.

On March 1 we were privileged to have missionaries Edna Lehman and Anna Eyster from Africa and Bro. and Sr. Allen Buckwalter and daughter, Joan, from India. The emphasis of the evening program was the African field. Sr. Lehman gave a very interesting talk portraying the work in Rhodesia. Sr. Oscar Raser of Upland, Calif., was also with the group. We appreciated their visit and program very much.

On March 13 Dale Nebel and Ivan Moon who had just arrived from Shanghai, China, and the Philippine Islands, respectively, were with us a few days and rendered us a program. They have been in relief work for the past several years under the M.C.C. They gave very interesting talks concerning their work, and we greatly appreciated hearing of this great program in which our church also has an active part.

Other guests of the Mission during the past quarter were: Sr. Esther Kanode of Pa.; Sr. Helen Bowers of Upland, Calif.; Bishop C. N. Hostetter, Jr., who paid us a brief visit while on the West Coast for the dedication services; and Eld. Alvin Burkholder, mission overseer, who paid us several brief visits and was also with us for an evening service.

Pray that God's work may go forth at the Life Line Gospel Mission.

E. H. Hostetler, Jr., and Workers

Messiah Lighthouse Chapel, Harrisburg, Pa.

On Easter Sunday morning our Sunday School and congregation worshipped the Lord in a unified service. A splendid program was rendered by members of the group. The Pastor preached a short sermon on "Resurrection Realities." Our yet largest attendance of 176 persons crowded into our limited space to enjoy the exercises and to honor the Lord. Naturally, thus crowded, we are wondering what can be done to get more seating space for the people who want to come to Messiah Lighthouse Chapel.

In the evening of Easter Day the annual spring communion service was held with Bishop Titus M. Books in charge. Nearly fifty persons participated in this great service of sacred meaning.

On March 12, Mrs. Lizzie Bossert of Fenwick, Ontario, told her remarkable vision of Heaven to a very interested audience. This left its blessing of spiritual edification, and appropriate warning.

The Male Chorus of Messiah College gave their program on March 27. The music rendered by the boys was greatly enjoyed. Rupert Turman gave a gospel message.

The Mixed Chorus of the Fairland Young People's Society rendered a fine program of musical numbers and appropriate scriptures on April 3rd. Brother Alfred Brandt ably directed the chorus.

The Gospel Teams of Messiah College, under their co-chairmen, Alvin Steckley and Eva Oberholtzer, have rendered their programs once a month in Young People's Meetings. These left their contribution of inspiration and interest.

On March 31 we had the closing session of the Week Day Bible School. The Lord gave us a good year. The enrollment was 133 and the average attendance was 73. Fine interest was manifested in all of the classes. Again this year Messiah College sent in weekly a group of four young people who assisted us in the teaching.

Six of our people finished their work on Unit I of the Evangelical Teacher Training Course. This is the second round of this course. The interest of our staff in this splendid training is very encouraging.

Attendance at morning and evening services has been good, and a fine spirit prevails. There is disappointment, of course, when souls fail to walk with the Lord. But we thank God for His precious Word, which shall not return void. And we rejoice to see those who are walking in the Light and growing in Grace.

The existence of some financial obligations, which we are not able to meet, gives us considerable concern. Will you help us pray that the Lord may in His own time and way lift this reproach from His Cause? He is able, and He will, Praise His Name.

We express appreciation for all who have given and shared in any way in this quarter's budget. God bless each and everyone.

Navajo Mission, Bloomfield, N. M.

Greetings in the matchless Name of Jesus, our Saviour. We praise Him for many blessings and help in this work among the Navajo people.

During this past quarter, when so much of the time the roads were snowbound or else deep mud, we have been confined in our activities largely to the immediate neighbourhood of the mission. Much of the time has been spent in the building work. Just at the end of the quarter four brethren from California, namely: Alvin Gish, John Book, Sam Buckwalter, and Leonard Goins, came out to help for a few days in building the school and chapel house. When they left, the framing of the building was nearly complete, and most of the flooring down. We surely are thankful to them for this helping hand. We hope a few months will see the completion of our building project, so that we will be ready for the opening of our mission school this Autumn, without any difficulty. To everyone who has given so generously toward the building project, we would say, "thank you, and the Lord bless you for it." About \$6,000 has been spent on the project so far—to buy the land, fence it, drill two wells (one 166 feet deep, the other 122 feet deep), to install casing and pipe in the latter well, to build the mission home and to complete the school house thus far. It will take perhaps \$1500, or even a little more, to finish the entire building project. The Lord by His children has provided thus far, and we trust that He will provide the rest that is necessary.

It is with happiness that we tell of two of our Navajo friends who sought the Lord

early in the quarter and professed to be saved. It has been evident that they have found peace and gladness, and we would ask you all to pray that these dear ones might become strong Christians and a blessing to their People and bring others to the Lord.

These are but the first-fruits of the work here. We believe that as the building work is completed and we start school here, and also, take up a more intensive home-visitation and evangelistic schedule, that many more will come to the Lord. May each one of you pray for them earnestly and in faith, and for us, your missionaries to the Navajo Indians.

We would also ask you to pray for this region to have good rains this Summer. The snowfall, though good, was not very heavy, and as last summer was very dry, the waterholes are now nearly empty, and serious trouble may be in store for our Navajo friends, most of whom depend largely on their sheep and goats for a living, if rain doesn't soon come to fill the water-holes. "Elijah was a man subject to like passions as we are,—and he prayed again, and the heaven gave rain, and the earth brought forth her fruit." James 5:17, 18.

North Star Mission, Meath Park, Sask.

Our time this quarter has been taken up with things that have become more or less routine. With only a very few exceptions, we have been conducting three services each Sunday. Soon after the first of January, the road to Paddockwood drifted shut. It was reopened by the snowplow long enough for us to get to one prayer meeting with the car; then it blew shut again over a half mile section, and we started to use the team to get to Melba and Paddockwood. At this same time we began to use the team to go to Pine Valley. The team and caboose this winter have been traveling, as a rule, twenty-four miles one Sunday afternoon and thirty-two the next. It keeps one busy to do this between one P. M. and midnight or after—the time we usually get home. Between Pine Valley and Melba or Paddockwood we changed-off one horse, and twice we used a fresh team for the night run.

Regardless of the roads and weather conditions this winter, we have not missed a scheduled service at Paddockwood. Attendance there has been very good, and while we have been late a number of times, a good spirit has always been present.

One Friday we decided to visit the Jones's in their wood camp, and we started off, not realizing it was so cold. For four miles we had to "break trail", and for the first time in our lives we did what the old settlers used to do—we used the axe to open a path between some small trees so the caboose could pass through. The snow was so cold that the sled pulled like it was on sand, and the trip of fifteen miles occupied six hours instead of the two we had figured on. Near nine that night we left the wood camp; it was fifty below zero, and at four in the morning we arrived in front of the kitchen door. The team was so tired that once we thought we would have to tie the horses to the caboose, blanket them, and let them rest until morning. The children slept on the bed we made for them from the seats, and they were as warm as if they had been in their own beds.

In January Sr. Brechbill, Mr. and Mrs. McCalmon, and I, left by car to visit Sr. Merriman and her husband and the McCalmon boys in Merriman's wood camp near the north end of Montreal Lake. We stayed one full day and two nights at the camp; the last night there, we held a short service in the lumber camp. And there was a hundred per cent attendance too. The next morning a couple of the men said they wished we could come back again. Since our visit there, a man who makes a practice of visiting lumber camps with the gospel held a service or two there.

During this quarter we were glad to bring spiritual help to a young lady, who had been saved, but the temptation of public high school and certain discouragements at home had caused her to drift back. She came home with us one night from Meath Park, and we prayed with her that night and took her back in time for school the next morning. She was at our home again the following Sunday and seemed to get more help. Listening to reports of the temptations and the immorality of our present day schools fills one with indignation; some of the things seem almost beyond be-

lief. We are more impressed than ever with the wickedness of the times, and the privilege we have of sending our children to our Church schools. Pray for this girl; she has a call to unite with the church and be a missionary, but she has problems to meet and strong opposition to overcome. We wish the way would open for her to get to Ontario Bible School for next school year.

This winter the attendance at our services has been the best for this same period since our arrival. There have been a number who have been irregular in their attendance, but who are now quite regular, and we thank God for this. The Holy Spirit has been faithful in speaking to some. The family that found the Lord as reported in our last report have their testimony. We have been much encouraged in recent months. Pray with us and for us that we may be kept humble and useful in His service.

Bishop Edward Gilmore arrived to pay us a six-day visit on March 17, and before he was here very long, he had shoveled some snow. We thoroughly enjoyed his stay with us, and we did our best to show him our activities for the Lord and the church.

Remember North Star is your prayers. We appreciate the interest of the various prayer circles, and we know that prayer has accomplished great things for us. It is our pleasure to show a balance in our financial statement for the first time in many months, and we hope that all who rallied to this cause will receive special blessings from God. It is our aim to be true to our charge and worthy of your interest and support.

The Brechbills

Orlando Mission, Orlando, Florida

It is with gratitude that we submit another report. We praise God for the many answers to prayer, and we are still trusting Him for those yet unanswered. Knowing that many of you have a great share in this prayer warfare, we are encouraged to press the battle for Christ in this large city where so little is known about our people.

All of the services have been better attended (and offerings much better) in the past few months; for this we are very thankful. Pray that others may come. There are many who do not go anywhere to church and are being influenced by the false teachers who canvass the city.

On Sunday evening, January 16, the Sunny South Quartette had charge of the entire service. Everyone enjoyed the Gospel songs.

On Friday evening, January 21, we had an urgent call to the home of Mrs. Pearl Wright. Her home caught fire and caused a damage of \$700.00. Sr. Wright was rescued from the burning house, as neighbors and friends worked hard to extinguish the flames. Sr. Wright had to be carried from her home, because of her being confined to her bed with a broken hip. She is very thankful to God for sparing her life. After the damage to the house was repaired, we put up new shades for her.

On Thursday evening, February 10, we were called upon to officiate at the funeral services of Mrs. Mary Shaum, of Windermere, Florida, who was a member of the Mennonite Church.

On Wednesday, March 2, we were called upon to baptize Mr. Harry Kelly, who had been definitely saved in his home on December 4, 1948. He wasn't well enough to go out to a lake, so we did our best and baptized him in his home at the request of him and his family. The next day he went on to be with his Lord. On Saturday, March 5, we officiated at his funeral.

On Sunday evening, March 13, we had a precious altar service in our church. Several renewed their spiritual lives, and one young woman was definitely saved. We thank God for His blessing upon our services.

Tuesday, March 15, and Friday, March 18, were interesting days for our church group. Eighteen of them gathered in the studio to give a radio program over station WLOF. It was a new experience for some of them, but they all worked together nicely and gave a fine program of Gospel songs and testimonies.

On Wednesday, March 23, Bro. & Sr. Heintzelman and two children from Chambersburg, Pa., arrived here at the parsonage. We thank God that these precious young people have obeyed the call of the Lord and have come to help in the work here at Orlando. They have already been a blessing to us in helping with the activities.

On Wednesday, March 30, Sr. Mary Brennehan gave a very interesting missionary service. We were also happy to have Sr. Clarence Hoover, who accompanied Sr. Brennehan to Florida, with us a few days.

We have appreciated the fellowship of the following visitors to our mission during the past quarter:—

From Pennsylvania:—Bro. & Sr. Beamanderfer, Levi W. Musser, Paul Hinkle, Helen Pike, Edith Doner, Bro. & Sr. Clar-

ence Herr, Irvin Heisey, David Young, Michael Musser, Bro. & Sr. Charles Habecker, Bro. & Sr. Harry Watson, Marvin Watson, Bro. & Sr. Melvin Boose, Bro. & Sr. Elias Z. Musser, Bro. & Sr. Joseph Wolgemuth, Bro. & Sr. Eugene Burford and children.

Philadelphia Mission, Philadelphia, Pa.

During the past six months God has again been very gracious to the Saints and the Work at Philadelphia Mission. With the close of the summer months and vacations we realized a revival of work in various departments and an increase in attendance.

The Sunday School the last quarter of 1948 saw an increase in attendance. Comparing the first quarters of 1948 and 1949 we found an increase of 19% in attendance for the first quarter of 1949. This was the result of prayer and work. The Sunday School gave a very interesting program at Christmas, at which time 24 scholars were given recognition for perfect attendance.

God blessed the Radio Work during the year with a balance in the treasury at the close. A splendid opportunity was given in October to start broadcasting over Station WLBR, Lebanon. After much prayer and fasting we were lead of the Lord to accept time on this station. It has proved a real blessing to the work and is appreciated by our listeners. In March, we received another splendid offer from Station WKJG in Fort Wayne, Indiana. After much prayer and fasting and receiving the consent of Bro. Carl Stump, Bishop of the Indiana District, to broadcast in his area, we were lead of the Lord to send an audition of our program to the Station for approval. This was the last fleece we put on. In a few days we received word that the Station had approved and accepted the broadcast. On April 17, Easter Sunday morning—we give this for your information—Gospel Words and Music was heard for the first time over Station WKJG, 1830 kc on the dial, from 8:00 to 8:30 a. m. To help make this broadcast a real success the Ambassador Quartet from Lancaster County is helping in the singing. The brethren are doing a splendid job. Once a month they come to Philadelphia to help make the necessary recordings for the Indiana station. We trust God will bless them in a special way for their willingness to help further the Kingdom of God. Pray for the Radio Work.

The Ladies' Missionary Society continues to be a blessing to the Church and to the poor. They sew twice a month and to date have sent 85 new garments to Jamaica with 123 new garments ready to be shipped to Haiti. Sometimes as many as 15 sisters meet for this sewing project.

During the month of March the Ladies' Missionary Society held their 5th Annual Missionary Conference. The speakers were Rev. Ivan Corral from the National Holiness Missionary Society, Eld. Arthur Musser from the Buffalo Mission, and Sr. Fred Bossert. God blessed in a special way. Sunday night's service of the Conference was held in the Y. W. C. A., where Sr. Bossert gave an account of her vision to about 300 people.

In November God blessed with another revival, when Elder Allen Brubaker came as evangelist. Some real work in the two works of Grace was accomplished. Then in March we enjoyed another revival with Rev. J. M. Hames as evangelist.

Our worship services have increased considerably in attendance. God has blessed these services with souls at the altar. One

Sunday morning, while a sister was confessing to growing cold, an altar call was given; she immediately came to the altar followed by nine others.

The Crusaders for Christ reorganized in October. One feature enjoyed by the Crusaders was the preparing and dropping into the Delaware River approximately 40 Gospel Bottles at Washington's Crossing along Trenton, N. J. The young people also sang Christmas Carols at the Hospitals.

The children's meeting work was started in November. Instead of holding this service on Sunday night it was decided to hold it Wednesday from 3:45 to 5:00 p. m. The name was changed to the Children's Bible Hour. God has blessed this change in better and more regular attendance.

In October Sr. Alice Romberger was called to her home to nurse her seriously ill mother.

In October we were happy to receive into the Church Sister Daisy Smith. Her reception was followed by Baptism along with two others in a nearby stream.

The Renovation of the Mission Home continues. Three rooms are now nearing completion. We are indebted to Bro. Lester Shelly, Bro. Matthew Smith, Bro. Howard Landis, and his son Junior, as well as Bro. Benjamin Neeld, Bro. David Morley and John Morley, who have contributed time and material toward this work. We trust God will bless them greatly.

We are thanking the following for gifts of food and produce: Rapho District—Bro. and Sr. Jacob Wolgemuth, Bro. and Sr. Jacob Martin, Bro. and Sr. David Heisey, Elder and Sr. Samuel Brubaker, Bro. and Sr. V. B. Hilsher, Sr. Burkholder, American Stoves Co., Robert Stewart, Grace Weaver, Egert's Bakery, Bro. and Sr. John Brosey, Bro. and Sr. Eugene Rohrer and family, Bro. and Sr. Amos Stern, Sr. Bishop, Bro. and Sr. Lester Shelly, Sr. Lewis Bohland, Bro. and Sr. Matthew Smith, Sr. Oscar Hanson, Bro. and Sr. John Thompson, Sr. Mary Williams, Nice's Bakery, Elder and Sr. John Rosenberry.

If we have forgotten your name—we are sorry. We trust God will bless you greatly.

Once more we were blessed with a very large gift of produce and food stuffs from the Rapho District in Lancaster County. This gift supplied us with over 200 jars of food as well as enough potatoes to last all winter and spring.

We appreciate the prayers and gifts from the Church. Their continuance will cause Philadelphia Mission to progress in the Lord.

The Philadelphia Workers

"Blessed be the God and Father of our Lord Jesus Christ, who hath blessed us with all spiritual blessings in heavenly places in Christ."

March 3. Bro. and Sr. Daniel Burkholder and Bro. and Sr. A. Byres were with us. Bro. Burkholder spoke on "Five Necessities for a Revival"; the message was much enjoyed. Monday night our evangelist, Eld. John Byers came. He not only spoke of prayer, but he held afternoon prayer meetings, and many prayers went up to the throne. We praise God for those answered during the meeting. Many of the members

received help in these afternoon services. The evening services were well attended; there were good altar services nearly every night. There were many very definite victories. An afflicted mother came to the altar, began praying earnestly, and soon had the witness that she was saved. She testified later that she was much better in body. One of her daughters was saved before the revival; another daughter came to the altar. Please pray for this family.

Some of our young people were at the altar and have a testimony of victory. One young girl, while listening to a message over the radio, began to pray at home; the Lord blessed her soul and was impressed to witness the next day at High School. And while she was witnessing, the Lord blessed her. The professor thought she was hysterical and took her home to her mother. She came to church and her testimony thrilled our souls; many shouted for joy. A young mother came to the altar weeping; she said, "if only I would have stayed true to the Lord, I would not be in this trouble." Their home is about to be broken up. Her mother came to the altar, and a little later her father came down the aisle weeping, but he did not get through. He has sought the Lord at intervals for ten years. He came to the altar again the last Sunday night and left without being satisfied. About a week later he came to our communion service and testified that on Monday the Lord had witnessed to his soul. He was asked to sit with the brethren in the washing of the saints' feet. The Lord wonderfully blessed his soul, and we all rejoiced. It had been a long struggle. There were many more victories.

On April 9 we met for our Spring communion service; it was a very precious service and was marked by the number of young people who took part; this is something for which to be thankful.

April 17. After an Easter program given by the children and young people, a special service was held in which six babies were dedicated to the Lord. These six babies all came from Brethren in Christ homes. We have quite a few other babies in our community and visits are always welcome in these homes. There is often a lasting contact made in this work among the little folk.

Eld. and Sr. Thomas Bouch are soon moving to Riddlesburg; Bro. Bouch has charge of the services there now. We pray that the work may prosper.

Iola Dixon

Welland Mission, Welland, Ontario

We desire to "give thanks for all things unto God and the Father in the Name of our Lord Jesus Christ." Eph. 5:20.

Winter months have gone and in exchange we have new life in nature; thanks be to God who can make all things new.

Throughout the winter months Eld. Earl Bossert and family have been very faithful; we are grateful for their attendance, interest and prayers.

Since January several of our Sisters have been ill and unable to attend the meetings. We with them want to praise God for the wonderful way in which He was with them, and for their return to us again. (God is able.)

Our Women's Prayer and Sewing Circle has been well attended. We have made a shipment of 40 lbs. of clothing, value \$133.81; also a box of soap, value \$8.22. We trust God to direct this to the needy.

Our visitations at the hospital have been richly rewarded, as we witnessed a young lady who was in serious condition, because

of an accident, accept Christ as her Saviour. Since her return home we have received letters which contain words of praise and a growing desire to be a true Christian.

There has been an increase in attendance in Sunday School. We thank God for the children. We are praying for the parents that they may attend church.

On March 27 our Spring Revival opened with Bishop William Charlton as our evangelist. The meetings were well attended; the presence of the Holy Spirit was felt in every service. We thank God for the work that was done. Five souls were definitely meet, (a work was done, not of man, but of God.) All who attended were encouraged.

We ask you to pray for our work, as we desire to see greater things accomplished. "We believe God is a great God who desires to meet our every need."
